

A woman in a white wedding dress stands on a wooden deck, looking out over the ocean at sunset. The sky is a mix of blue and orange, with waves visible in the distance. The woman is seen from behind, her arms resting on the wooden railing.

# CAPTURE EVERY MOMENT.

I don't love you as if you were a rose of salt, topaz  
or arrow of carnations that propagate fire:

I love you as one loves certain obscure things,  
secretly, between the shadow and the soul.

*- Pablo Neruda*

# Afterglow CREATIVE

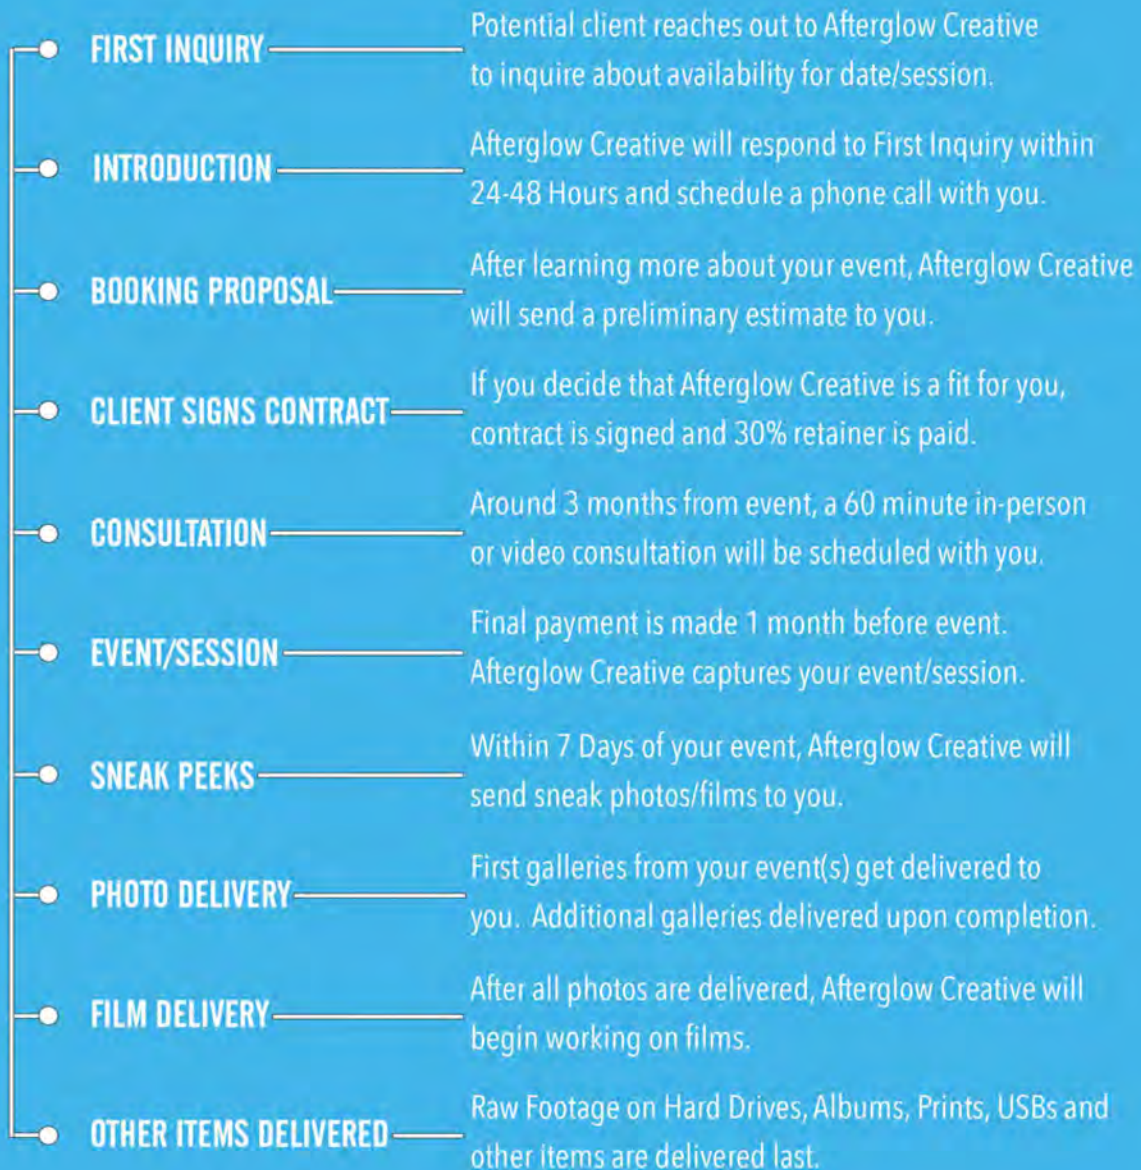

Your most profound memories - the big, beautiful ones; the small, fleeting ones; and even those you may have forgotten in the blur of the emotion and excitement of the day are captured by the experienced and skilled team at Afterglow Creative with a modern, bold and authentic approach. We are thrilled that you are considering us for your event!

ENGAGEMENTS • WEDDINGS • FAMILIES • BRIDALS

# Timeline

\* Turnaround times vary depending on complexity of project, revisions/approvals process, and time of year. Multi-day events take significantly longer to complete than single-day events/sessions. This timeline is based off of single day events during "peak" wedding season, May to October. Most Afterglow Creative weddings take about 4-8 Months to complete from beginning to end once event is over.

## LOCATION LOCATION LOCATION

The first thing we will do will be to find a location! This can be a state park, downtown, a botanical garden, a winery, your wedding venue, or a place that holds special meaning to you. We do ask that any fees involved with photo permits or venue rental be covered by you guys, though, and we have lots of suggestions for local, free locations.

## WHEN SHOULD WE SHOOT?

While we have shot sessions a few days before the wedding, it's usually best practice to get the sessions done at least a few months before the wedding date. This will allow us to finish the edits and for you to have print materials made for your guests. Usually we shoot during the warmer months, around the time of sunset called "magic hour".

## WHAT SHOULD WE WEAR?

Outside of a bridal session, we want you to feel like yourself during the shoot. This means being comfortable. You will have an opportunity for one outfit change. There is no "wrong" way to dress, but there are some recommendations. Matching outfits is always a cute idea. Most couples opt for a "casual" and a "formal" set of clothes. Sports jerseys are always fun! Consider your environment as well! Dress warm for cold weather, and something light for the summer days!

## WHAT SHOULD WE BRING?

We usually recommend bringing a helper if you plan on bringing props or a bag full of items—We may sometimes not have easy access to a car so packing lightly or having a helper makes a huge difference! If bringing a pet, a helper is almost a necessity. Sometimes we can help you carry items but most times we have our own equipment to carry.

## WHAT SHOULD WE EXPECT?:

To have a great time with lots of smiles! We usually walk around a lot, so keep that in mind! By the end of the session most people forget that we are even taking photos. My goal is to make you as relaxed as possible and to allow you guys to have a good time while capturing wonderful memories. Photos are usually delivered within 3 weeks.
